

# Retirement Association

UNIVERSITY OF WISCONSIN-MADISON

Welcome to the 2022-2023 academic year!

If you are a new retiree, you will find programs, information, and activities to keep you connected to UW-Madison and to fellow retirees through the University of Wisconsin-Madison Retirement Association. You will join experienced retirees in checking the UWRA website calendar to see what is happening and sign up.

Over the summer, in addition to dodging the ever-changing road construction, UWRA Committees and Board members have been planning for this new year. We began the summer with a wonderful trip to the International Crane Foundation in Baraboo, organized by the Travel Committee. Keep your eye on the UWRA website and the monthly Sifter newsletter to keep up date on other activities happening this year.

UWRA has been extremely fortunate to have a proactive and innovative volunteer Executive Director. Since 2017 Sandi Haase has served UWRA members and Board of Directors by calmly and professionally guiding us through changing times. Sandi made a six-year commitment to the Association—she agreed to serve until December 2023. So, we will be searching for a new volunteer Executive Director beginning this fall, who will begin in the summer of 2023.

If you might be interested in serving as the (currently virtual) part-time volunteer Executive Director for this forward-looking dynamic Retirement Association, or if you know someone who might be interested in serving, please contact Mary Czyszak-Lyne, Project Lead - UWRA [mary.czyszaklyne@wisc.edu](mailto:mary.czyszaklyne@wisc.edu) . Applications will be due in April 2023.

I look forward to seeing you, either in person or virtually at UWRA programs during this coming year! Mark your calendars for the October 12 UWRA Member Reception—you will find more information in the September Sifter.
